**ACCREDITATION INFORMATION**

The accreditation designations serve as a guide to assist you with course selection. The courses are being submitted to CE Broker and to COPE as listed for approval. Designations are subject to change on final approval. Courses that include an approval number are final. SECO International, LLC will not be responsible for courses that have not received accreditation. Do not assume that the courses you registered for will be approved. Please refer to AttendSECO.com for current CE approvals and course descriptions. Program is subject to change.

\* As of February 1, 2018 Locations subject to change. Please check listings on the SECO Mobile App or at the Information Desk or Registration Hall A for the latest information.
