Ernest N. Morial Convention Center

New Orleans, Louisiana

FACILITY OVERVIEW

Provided by: https://www.https://www.neworleans.com/listing/new-orleans-ernest-n-morial-convention-center/169/

The New Orleans Ernest N. Morial Convention Center (MCCNO) is home to America's largest contiguous-space exhibit hall with 1.1 million sq. ft. of prime exhibit space plus 140 meeting rooms, 4,000-seat theater, 30,000 sq. ft. ballroom and a 60,300 sq. ft. divisible, column-free ballroom with 25,000 sq. ft. pre-function area. MCCNO is the sixth largest convention facility in the nation and consistently ranks in the country's top ten of facilities that hold the most conventions and tradeshows annually.

FACILITY GRAPHIC INSTALLATION POLICY—Shepard can produce 100% of all graphics for Ernest N. Morial Convention Center (EMCC). As required by facility policy, a EMCC representative will install all graphic elements within the facility that adhere to any surface. All graphic and structure elements will need to be presented to the EMCC prior to installation for review and approval. General Service Contractor may install carpet clings inside the convention hall only.

DIRECTIONS

1. Opportunities for graphics are available in the grey shaded areas within the floorplan.

2. When you click on a particular grey shaded section on a floorplan, you will be linked the full numbered listing of graphic opportunities within that area.

3. From the location, you may choose any numbered element to review the exact location of the graphic opportunity.

Section 1 - Opportunity #1

4. At the bottom of each page frame, you will find information about the specific opportunities within your image (section location, banner (graphic number), size (graphic size), and notes.

5. The bottom RIGHT corner also allows you to navigate back to previous sections or levels.

GRAPHIC PRODUCTION

Please be mindful of your graphic submission deadlines as indicated in your event contract with Shepard. Late submission of graphic orders may incur late fees. Please be sure to review your deadline dates on the provided Critical Path. You may also review these dates with your Account Executive.

Shepard strives to provide you and your exhibitors with quality service and graphic production. To ensure that graphics are produced in the highest quality, we ask that you review the Graphic Guidelines when submitting artwork for production.

NOTE: Please contact your account executive or sales associate for a copy of the Shepard Graphic Guidelines.
