ACCREDITATION INFORMATION

COPE:

The content of this COPE pending CE activity was planned and prepared independently by SECO International without input from members of a commercial interest. The courses are pending COPE accreditation for INTERACTIVE DISTANCE CE.

AOA PARA:

These courses have been submitted to the AOA Commission on Paraoptometric Certification for consideration.

ABO/NCLE:

These courses have been submitted to the American Board of Opticianry – National Contact Lens Examiners for continuing education credit.

SECO International recommends contacting your state board directly for specific state board of optometry license rules and regulations pertaining to the COPE acceptance. The FL/SC CE Broker and CEE/TQ courses are only applicable for live courses.

Please see the complete listing of virtual accreditations at attendseco.com/virtual-meeting. SECO International will not be responsible for courses that have not received accreditation. Do not assume that the courses you have registered for will be automatically approved. These courses listed are to serve as a guide to assist you with your course selections.
