## ACCREDITATION INFORMATION

### COPE:

The content of this COPE pending CE activity was planned and prepared independently by SECO International without input from members of a commercial interest.

### AOA PARA:

These courses have been submitted to the AOA Commission on Paraoptometric Certification for consideration.

### ABO/NCLE:

These courses have been submitted to the American Board of Opticianry – National Contact Lens Examiners for continuing education credit.

SECO 2022 courses were submitted to **COPE, ABO, NCLE, AOA PARA, FL/SC CE Broker** and select state boards of opticianry/optometry for consideration. For specific state board of optometry license rules and regulations pertaining to the COPE acceptance, SECO International recommends contacting your state board directly.

The courses listed for FL/SC CE Broker and CEE/TQ are only applicable for live courses. Please see the full listing of virtual accreditations at [attendseco.com/virtual-meeting/](http://attendseco.com/virtual-meeting/). SECO International will not be responsible for courses that have not received accreditation. Do not assume that the courses you have registered for will be automatically approved. These courses listed are to serve as a guide to assist you with your course selections. These course listing are being submitted to the specific accrediting agencies for consideration of approval – if the course is not listed, it is not being submitted.
