IN-PERSON DAY AT A GLANCE

WELCOME TO SECO 2022

SEE WHAT MATTERS FOR YOUR PROFESSION

Grow your career with lectures, labs and learning sessions developed to address the targeted needs of your profession. SECO 2022 offers opportunities to connect and learn with the broader optometric community, as well as education curated for every role, whether you're an optometrist, optician, optometric technician, student, or anything in between.

DISCOVER EDUCATION SESSIONS TAILORED TO YOUR PROFESSION AT ATTENDSECO.COM.

PRESENTATION THEATERS

Earn free CE credits on the exhibit hall floor delivered in-person.

SYMPOSIUM SERIES

Join industry leaders in discussions about the most compelling topics in the industry.

FACILITATED LEARNING LABS

Small group discussion-based peer-to-peer sharing.

VIRTUAL SESSIONS

Select speakers presenting to full classrooms onsite in New Orleans will be streaming live through the SECO 2022 LIVE CE platform for accredited education for the virtual attendee.

ACCREDITATION INFORMATION

COPE:

The content of this COPE pending CE activity was planned and prepared independently by SECO International without input from members of a commercial interest.

AOA PARA:

These courses have been submitted to the AOA Commission on Paraoptometric Certification for consideration.

ABO/NCLE:

These courses have been submitted to the American Board of Opticianry – National Contact Lens Examiners for continuing education credit.

SECO 2022 courses were submitted to **COPE, ABO, NCLE, AOA PARA, FL/SC CE Broker** and select state boards of opticianry/optometry for consideration. For specific state board of optometry license rules and regulations pertaining to the COPE acceptance, SECO International recommends contacting your state board directly.

The courses listed for FL/SC CE Broker and CEE/TQ are only applicable for live courses. Please see the full listing of virtual accreditations at attendseco.com/virtual-meeting/. SECO International will not be responsible for courses that have not received accreditation. Do not assume that the courses you have registered for will be automatically approved. These courses listed are to serve as a guide to assist you with your course selections. These course listing are being submitted to the specific accrediting agencies for consideration of approval – if the course is not listed, it is not being submitted.

Visit attendseco.com/accreditation-information for the most up to date information.

VIRTUAL EDUCATION

March 9th through March 13th, 2022

20 Courses, 31 Hours of OD LIVE CE Education

20 Courses, 25 Hours of AHP LIVE CE Education

For SECO 2022, March 9th through March 13th, select speakers presenting to full classrooms onsite in New Orleans will be streaming live through the SECO 2022 LIVE CE platform for accredited education for the virtual attendee. A total of 40 courses and 66 hours of CE over five days makes this a major meeting in its own right!

There's something for everyone in this lineup. COPE courses approved by ARBO as "Interactive Distance Learning" and ABO and NCLE approved courses for opticians, CL technicians, and AOA Paraoptometrics.

SECO will track Zoom login to verify attendance. AHP attendees must note keywords presented during each session and enter the keywords on their post-course evaluations (not required for ODs). SECO will email PDF CE certificates within 30 days following the event and submit records to ARBO/COPE, CE Broker (SC/FL OD/Optician, TX OD), and NC Opticians Board if the OE Tracker and/or license number is indicated on the attendee registration record. Attendees must self-submit to any other state board.

FOR THE LATEST VIRTUAL EDUCATION INFORMATION VISIT [ATTENDSECO.COM](https://attendseco.com).

WELCOME TO SECO 2022

SEE WHAT MATTERS FOR YOUR PROFESSION

Grow your career with lectures, labs and learning sessions developed to address the targeted needs of your profession. SECO 2022 offers opportunities to connect and learn with the broader optometric community, as well as education curated for every role, whether you're an optometrist, optician, optometric technician, student, or anything in between.

DISCOVER VIRTUAL EDUCATION SESSIONS TAILORED TO YOUR PROFESSION AT ATTENDSECO.COM.

VIRTUAL SESSIONS

Select speakers presenting to full classrooms onsite in New Orleans will be streaming live through the SECO 2022 LIVE CE platform for accredited education for the virtual attendee.

This Activity, COPE Activity # 123107, is accredited by COPE for interactive distance learning continuing education for optometrists.

ACCREDITATION INFORMATION

COPE:

The content of this COPE pending CE activity was planned and prepared independently by SECO International without input from members of a commercial interest. The courses are pending COPE accreditation for INTERACTIVE DISTANCE CE.

AOA PARA:

These courses have been submitted to the AOA Commission on Paraoptometric Certification for consideration.

ABO/NCLE:

These courses have been submitted to the American Board of Opticianry – National Contact Lens Examiners for continuing education credit.

SECO International recommends contacting your state board directly for specific state board of optometry license rules and regulations pertaining to the COPE acceptance. The FL/SC CE Broker and CEE/TQ courses are only applicable for live courses.

Please see the complete listing of virtual accreditations at attendseco.com/virtual-meeting. SECO International will not be responsible for courses that have not received accreditation. Do not assume that the courses you have registered for will be automatically approved. These courses listed are to serve as a guide to assist you with your course selections.

ALL ACCREDITATIONS ARE PENDING.
PLEASE CHECK OUT OUR WEBSITE ATTENDSECO.COM FOR UPDATES.

Best of New Orleans FOODIES

SECO 2022
WHERE SIGHT MEETS VISION
MARCH 9-13 | NEW ORLEANS

TITLE PARTNER
Alcon
SEE BRILLIANTLY

When you arrive in New Orleans, be hungry. This is a town full of eaters who start talking about what they're going to have for dinner before lunch is over. New Orleans' rich history and cocktail culture have led the city to become one of the most legendary places to eat in the world.

Few other towns feature so many award-winning restaurants, famous chefs or food festivals. The plates can be bone china or paper; the dining rooms can resemble a chateau or a roadhouse. It makes no difference. New Orleans serves up some of the most delicious food on the planet.

Here are some of the best of the best, from famous restaurants' signature dishes to types of food you just can't miss!

Beignets at Cafe du Monde

There's a reason these are a classic. Pair them with a cup of cafe au lait for the ultimate New Orleans experience.

CAFE DU MONDE

800 Decatur St.
New Orleans, LA 70116

Po-Boys at Parkway

Fried oyster, shrimp, catfish, garlicky roast beef ... try some or try them all. In the world of po-boys, there's really no wrong choice - just as long as you order yours "dressed."

PARKWAY BAKERY & TAVERN

538 Hagan Ave.
New Orleans, LA 70119

Fried Chicken at Willie Mae's Scotch House

Around the corner from Dooky Chase, you'll find what the Travel Channel once labeled "America's Best Fried Chicken." There may be a line, but it's worth it.

WILLIE MAE'S SCOTCH HOUSE

2401 St Ann St.
New Orleans, LA 70119

Barbecue Shrimp at Pascal's Manale

New Orleans-style barbecue shrimp is as messy as it is delicious, and that's a good thing. French bread is a necessary accompaniment to the buttery, peppery sauce on this dish.

PASCAL'S MANALE RESTAURANT

1838 Napoleon Ave.
New Orleans, LA 70115

Oysters at Acme Oyster House

Just off Bourbon Street, Acme is a timeless New Orleans establishment, popular with locals for generations.

ACME OYSTER HOUSE

724 Iberville St.
New Orleans, LA 70130

Best of New Orleans ATTRACTIONS

SECO 2022
WHERE SIGHT MEETS VISION™
MARCH 9-13 | NEW ORLEANS

TITLE PARTNER
Alcon
SEE BRILLIANTLY

Looking for something fun to do in New Orleans? We've got you covered, with a variety of world-class attractions and experiences that'll make your visit memorable.

From historic homes and streetcar rides to above-ground cemeteries and world-class museums like the National World War II Museum, the opportunities for exploration in New Orleans are truly endless. Whether you're an art aficionado, a history buff, or just looking to experience the city's rich history and culture on a deeper level, you'll find a variety of attractions that are sure to pique your interest.

The Cabildo and the Presbytère

You may wonder what the two buildings on either side of St. Louis Cathedral are. The Cabildo and The Presbytère were built in the late 1700s and functioned as spaces for Louisiana Supreme Court decisions, among other uses.

701 Chartres St., Jackson Square
New Orleans, LA 70116

New Orleans City Park

At 1,300 acres, New Orleans City Park is one of the largest urban parks in the United States. It's also home to the largest grove of mature live oaks in the world, some of which are nearly 800 years old.

5 Victory Ave.
New Orleans, LA 70124

Audubon Zoo

Consistently ranked as one of the top 10 zoos in the country, the Audubon Zoo is known and loved for its engaging educational programs and hands-on animal encounters. Don't miss the Louisiana Swamp and Jaguar Jungle exhibits or their mysterious white alligators!

6500 Magazine St.
New Orleans, LA 70118

National World War II Museum

The top attraction in New Orleans and a bucket-list destination for fans and students of history around the world, the National WWII Museum takes visitors on a powerful, inspiring journey through the eyes of the men and women who fought for freedom and democracy *in the war that changed the world.*

945 Magazine St.
New Orleans, LA 70130

Bourbon Street

Noisy. Raucous. Nocturnal. For many New Orleans visitors, Bourbon Street embodies the life of a party town. The street is lit by neon lights, throbbing with music and decorated by beads and balconies. Named for a royal family in France and not the amber-colored alcohol, Bourbon Street has become a place for revelry of all sorts.

SHARPEN YOUR SKILLS AT SECO

SECO 2022's educational programming is an experience in itself — and one that you won't soon forget. Get the knowledge you need to provide exceptional patient care and excel in your specific role with sessions offered in a variety of formats, including learning labs, presentation theaters, lectures, and demonstrations. The best place for educating your entire team – SECO is known for its high quality, advanced curriculum for doctors and staff alike and place to earn all of your CE credits, hear from speakers you won't find anywhere else and take a deep dive into the topics that matter most to optometric professionals right now, from corneal disease and ocular infections to healthcare compliance and practice management.

Special Sessions

Learning opportunities are everywhere at SECO 2022, including Optometry's Marketplace™. Earn free CE credits and get valuable information in these sessions.

Lectures

Get inspired and informed with lectures presented by the brightest optometric minds and visionary leaders.

MedPRO 360

SECO's business intel and strategy resources for eye care providers.

Dynamic Speakers

See SECO's outstanding line up of speakers and the courses they are presenting.

FREE CE in Optometry's Marketplace

Learning opportunities are everywhere at SECO 2022, including Optometry's Marketplace™. Earn free CE credits and get valuable information in these sessions.

SECO COMMUNITY

Come be a part of the SECO community and while improving the skills and knowledge of your profession through education, expertise exchange, and professional dialogue, you will discover peer to peer learning opportunities and build relationships that will last for years to come!

DESTINATION NEW ORLEANS

New Orleans as a destination is steeped in culture and stimulating activity that offers guests and their families so many opportunities for fun! Come for business and take advantage of all Atlanta has to offer for you, your family, and your friends!

SECO Marketplace, a 365 resource for the profession, discover news, new products, SECO Marketplace exclusive deals, and other market interest.

attendseco.com/marketplace

THE  VIEW
LUXURY EYEWEAR

View What's Next for 2022

The View is the place to be at SECO if you make or influence eyewear buying decisions. Learn what's new and what's next and how to solve even your most difficult fitting challenges. Mix and mingle with your peers who face the same issues you do. Share ideas and strategies for creating the most dynamic inventory mix for your unique environment while increasing patient satisfaction and practice revenue.

FREE CE

in Optometry's Marketplace™

Learning opportunities are everywhere at SECO 2022, including Optometry's Marketplace™. Earn free CE credits and get valuable information in these sessions.

SECO'S BUSINESS AND MANAGEMENT STRATEGIES CURRICULUM.
 JOIN YOUR PEERS FOR A UNIQUE BUSINESS CONFERENCE WITHIN
 THE SECO CONFERENCE!

Take time to focus on the business of your practice and stay up to date on the latest leadership and management strategies. The popular and newly expanded MedPRO360 curriculum will highlight practice management gurus who will share intel and strategies for:

- Leadership
- Financials
- Sales and Communications
- Customer service
- Digital Marketing
- Billing and coding

According to MedPRO360 Committee Chair, Ted McElroy, O.D. “For most eye care professionals, running a business is hard. That is understandable, because we received little business education while in school. That is where we can help. MedPRO360 provides the resources to help guide you through the obstacles of running a small business. This will help turn the hurdles into opportunities for achieving your greatest business potential.”

SECO International extends its appreciation to the following for their unrestricted educational grant support of the SECO 2022 MedPRO360 continuing education program.

**VSP GLOBAL
 PREMIER ACADEMY360** **HEALIO**

GENERAL INFORMATION

EDUCATION

SECO offers cutting-edge education sessions, including advanced programming designed for all ophthalmic professionals — optometrists, opticians, paraoptometric, optometric technicians, and everything in between. Earn your CE credits, refine your skills, and guide your practice to its full potential with learning opportunities presented in a variety of engaging formats.

NETWORKING AND SPECIAL EVENTS

Expand your professional circle, build lasting friendships, and reconnect with colleagues at this year's special events. From concerts to alumni receptions, there are plenty of opportunities in store to connect and kick back.

OPTOMETRY'S MARKETPLACE™

Discover efficiency-enhancing solutions, state-of-the-art equipment, fashionable eyewear styles, and interactive educational events as far as the eye can see — all in the exhibit hall.

CANCELLATION POLICY

New for this year only, Inability to Attend Insurance is included with your SECO 2022 attendee or exhibitor registration. You will receive a refund of your registration fee paid to SECO if you are unable to attend due to a reason covered under the policy. All cancellation claims must be submitted within 30 days of the end of SECO 2022.

HEALTH AND SAFETY GUIDELINES

SECO 2022 is looking forward to welcoming our attendees and exhibitors to New Orleans. Our priority is to deliver a successful, productive, and safe meeting where we can come together as a community to access emerging eyecare trends, explore the latest technologies, gain hands-on training, and forge new connections with the eyecare community.

[Please click here for a list a list of the health measures we have in place.](#)

HOTEL AND TRAVEL

Beware of false and fraudulent housing claims. Eventsphere is the only housing provider for the SECO 2022 Congress. Fraudulent companies will present themselves as official partners of SECO and offer you a room that might not be available or guaranteed. We encourage you to use only the link from the attendseco.com website. SECO has contracted discounted rates with the Hilton Riverside New Orleans Hotel and hotels throughout the city to offer you luxury accommodations at the best possible rates. Reservations must be made through our official housing company, Eventsphere, by February 14, 2022 in order to reserve rooms at the discounted rates. Hotels sell out quickly, so we recommend booking your room today. If you have any questions or need assistance with your hotel needs, contact Eventsphere at (866) 393-0555 or [Click Here](#).

OFFICIAL HOTELS:

Courtyard Iberville, 910 Iberville Street \$235
New Orleans Marriott, 555 Canal Street \$245
Renaissance Arts, 700 Tchoupitoulas Street \$249
Renaissance Pere Marquette, 817 Common Street \$235
Sonesta ES Suites NO Convention Center, 345 St. Joseph Street \$228
Sheraton, 500 Canal Street \$245
Hilton New Orleans Riverside, Two Poydras Street \$259

NO SHUTTLE BUS SERVICE

There will not be any shuttle bus services offered at SECO 2022. We recommend staying at one of the hotels within walking distance of the Ernest N. Morial Convention Center. Please visit <https://attendseco.com/hotel-travel/> for hotel information..

UBER/LYFT

Attendees arriving by cab or rideshare will be dropped off in Transportation Hub at Hall G of the ENMCC.

PARKING

The Ernest N. Morial Convention Center provides ample parking for the event in lots adjacent to the facility for \$20 per day. Rates are subject to change. Attendees arriving by cab or rideshare will be dropped off in Transportation Hub at Hall G of the ENMCC.

TRAVEL ASSISTANCE

If you need assistance with Airline tickets contact Frosch Travel at 877-685-3715* or email seco@frosch.com. Delta is pleased to offer special discounts, [please click here](#) to book your flights. You may also call Delta Meeting Network at 1.800.328.1111* Monday-Friday, 7:00 a.m. - 7:30 p.m. (CT) and refer to Meeting Event Code NMV3Y. *Please note there is not a service fee for reservations booked and ticketed via our reservation 800 number.

GENERAL INFORMATION

ASSISTANCE

SECO volunteers and ambassadors are happy to answer any questions about SECO 2022. They are wearing SECO Volunteer name badges. You can find additional assistance at the Registration Area in Hall B.

BADGES AND COURSE ATTENDANCE

All information regarding registered courses will be linked to your badge barcode. Your badge is required for admittance to each course and is required to be scanned in and out of each course. If you make any changes to your education registration after you print your badge onsite, it will update automatically—no need to print a new badge. SECO will replace lost badges for a non-refundable fee of \$25. Please wear your SECO badge at all times and remember that a photo ID is required for alcoholic beverage purchases.

SCHEDULE CHANGES

Changes to your course schedule can easily be made by logging into your SECO registration account, which you can access at AttendSECO.com. You can also make changes to your schedule by visiting Registration located in the Hall B lobby, of the New Orleans Ernest N. Morial Convention Center. Please note that schedule changes can only be made before a course is scheduled to begin and cannot be made at the course's location.

COURSE HANDOUTS

You can download course handouts via the SECO 2022 APP or at AttendSECO.com/handouts

ATTENDANCE REQUIREMENTS

Attendees MUST have a SECO badge scanned and be registered to gain entrance into a course. CE credit will not be granted if attendees arrive 10 minutes after the course begins or take a break longer than 10 minutes during a one-hour course. SECO follows the required CE attendance protocols mandated by our accrediting agencies.

VERIFICATION OF ATTENDANCE (VOA)

To verify and download the Verification of Attendance, visit AttendSECO.com during or after the conference and select Verification of Attendance (VOA). Reg ID # OR last name and email will be required to access the VOA records. Please allow up to 24 hours for the updated records to display on the VOA. If there are any discrepancies, visit the Rivergate Room or contact us through [our website](#) following the conference..

NURSING ROOM

The Ernest N. Morial Convention Center provides a nursing station in Lobby B1 (outside of the B1 exhibit hall) for SECO attendees to access at no charge.

CHILDREN AT SECO

Children ages 18 and younger may attend SECO 2022 at no charge. SECO verifies the age of attendees registered in this category onsite. Due to space limitations and the potential for disruption in course rooms, as well as safety issues should overcrowding occur, the presence of infants and children may not attend continuing education courses. Child care services are not available at SECO 2022.

SECURITY

Security officers are onsite in the Ernest N. Morial Convention Center to ensure your safety at SECO. To aid in this effort, name badges are required at all official SECO events and to enter the exhibit hall floor. Please report lost SECO name badges to the Registration counter in the Level 1 lobby. Attendees may be asked to display the contents of any large items (such as boxes or cartons) by SECO officials or convention center security officers. Attendees who witness suspicious acts or unattended packages should report them immediately to security, a SECO volunteer, or a SECO staff member.

EMERGENCIES

First aid services will be available should an attendee need medical assistance. The EMS office #1 will be staffed throughout event hours and is located in Lobby B2. The ENMCC has RED Emergency Phones conveniently located throughout the facility. In order to expedite a response, a ENMCC Public Safety Dispatcher is available 24 hours a day. The emergency number, 504-582-3040 or 3040 from the RED phone, is the primary emergency number for the facility. The Dispatcher will dispatch EMS, Officers, Event Managers, etc. Please refrain from calling 911. The convention center is very large; Facility and Public Safety personnel coordinate the movement of emergency services to the scene. For non-emergencies, dial 3011 from a RED phone or call the Event Management Main Line at 504-582-3011.

LOST AND FOUND

Lost and Found is in Hall B, the Rivergate Room at the Ernest N. Morial Convention Center. SECO is not responsible for items lost during the event.

REGISTRATION RATES

Doctor's Registration

Course fees range from \$17 per hour based on the package selected and the number of CE hours taken. Attend all five days and earn up to 34 hours of CE, or up to 19 hours over the weekend! WHERE SIGHT MEETS VISION™
MARCH 9-13 | NEW ORLEANS

Developed for the profession, by the profession.

Get a first look at the research, technology, and techniques that are evolving patient care and propelling the optometric profession forward. Whether you are looking for the latest in clinical advancements or business management solutions, you will find the speakers, education, solutions, and connections you need to stay on the cutting edge.

It's easy to see why many of the profession's optometrists and allied healthcare professionals turn to SECO when they want to get a clear picture of what's coming in eyecare. As the leading source of optometric education and CE credits, SECO offers experiential learning focused on emerging eyecare trends, technologies, and research, as well as hands-on training designed for all specialties.

**Can't attend in person, be
sure to join us virtually!**

Select speakers presenting to full classrooms onsite in New Orleans will be streaming live through the SECO 2022 LIVE CE platform for accredited education for the virtual attendee.
