## ACCREDITATION INFORMATION

### COPE:

The content of this COPE pending CE activity was planned and prepared independently by SECO International without input from members of a commercial interest.

### AOA PARA:

These courses have been submitted to the AOA Commission on Paraoptometric Certification for consideration.

### ABO/NCLE:

These courses have been submitted to the American Board of Opticianry – National Contact Lens Examiners for continuing education credit.

SECO 2022 courses were submitted to **COPE, ABO, NCLE, AOA PARA, FL/SC CE Broker** and select state boards of opticianry/optometry for consideration. For specific state board of optometry license rules and regulations pertaining to the COPE acceptance, SECO International recommends contacting your state board directly.

The courses listed for FL/SC CE Broker and CEE/TQ are only applicable for live courses. Please see the full listing of virtual accreditations at [attendseco.com/virtual-meeting/](http://attendseco.com/virtual-meeting/). SECO International will not be responsible for courses that have not received accreditation. Do not assume that the courses you have registered for will be automatically approved. These courses listed are to serve as a guide to assist you with your course selections. These course listing are being submitted to the specific accrediting agencies for consideration of approval – if the course is not listed, it is not being submitted.

## VIRTUAL EDUCATION

**March 9th through March 13th, 2022**

**20 Courses, 31 Hours of OD LIVE CE Education**

**20 Courses, 25 Hours of AHP LIVE CE Education**

For SECO 2022, March 9th through March 13th, select speakers presenting to full classrooms onsite in New Orleans will be streaming live through the SECO 2022 LIVE CE platform for accredited education for the virtual attendee. A total of 40 courses and 66 hours of CE over five days makes this a major meeting in its own right!

There's something for everyone in this lineup. COPE courses approved by ARBO as "Interactive Distance Learning" and ABO and NCLE approved courses for opticians, CL technicians, and AOA Paraoptometrics.

SECO will track Zoom login to verify attendance. AHP attendees must note keywords presented during each session and enter the keywords on their post-course evaluations (not required for ODs). SECO will email PDF CE certificates within 30 days following the event and submit records to ARBO/COPE, CE Broker (SC/FL OD/Optician, TX OD), and NC Opticians Board if the OE Tracker and/or license number is indicated on the attendee registration record. Attendees must self-submit to any other state board.

# Best of New Orleans FOODIES

**SECO** 2022  
WHERE SIGHT MEETS VISION  
MARCH 9-13 | NEW ORLEANS

TITLE PARTNER  
**Alcon**  
SEE BRILLIANTLY

When you arrive in New Orleans, be hungry. This is a town full of eaters who start talking about what they're going to have for dinner before lunch is over. New Orleans' rich history and cocktail culture have led the city to become one of the most legendary places to eat in the world.

Few other towns feature so many award-winning restaurants, famous chefs or food festivals. The plates can be bone china or paper; the dining rooms can resemble a chateau or a roadhouse. It makes no difference. New Orleans serves up some of the most delicious food on the planet.

Here are some of the best of the best, from famous restaurants' signature dishes to types of food you just can't miss!

## Beignets at Cafe du Monde

There's a reason these are a classic. Pair them with a cup of cafe au lait for the ultimate New Orleans experience.

### CAFE DU MONDE

800 Decatur St.  
New Orleans, LA 70116

## Po-Boys at Parkway

Fried oyster, shrimp, catfish, garlicky roast beef ... try some or try them all. In the world of po-boys, there's really no wrong choice - just as long as you order yours "dressed."

### PARKWAY BAKERY & TAVERN

538 Hagan Ave.  
New Orleans, LA 70119

## Fried Chicken at Willie Mae's Scotch House

Around the corner from Dooky Chase, you'll find what the Travel Channel once labeled "America's Best Fried Chicken." There may be a line, but it's worth it.

### WILLIE MAE'S SCOTCH HOUSE

2401 St Ann St.  
New Orleans, LA 70119

## Barbecue Shrimp at Pascal's Manale

New Orleans-style barbecue shrimp is as messy as it is delicious, and that's a good thing. French bread is a necessary accompaniment to the buttery, peppery sauce on this dish.

### PASCAL'S MANALE RESTAURANT

1838 Napoleon Ave.  
New Orleans, LA 70115

## Oysters at Acme Oyster House

Just off Bourbon Street, Acme is a timeless New Orleans establishment, popular with locals for generations.

### ACME OYSTER HOUSE

724 Iberville St.  
New Orleans, LA 70130

# Best of New Orleans ATTRACTIONS

SEE BRILLIANTLY

Looking for something fun to do in New Orleans? We've got you covered, with a variety of world-class attractions and experiences that'll make your visit memorable.

From historic homes and streetcar rides to above-ground cemeteries and world-class museums like the National World War II Museum, the opportunities for exploration in New Orleans are truly endless. Whether you're an art aficionado, a history buff, or just looking to experience the city's rich history and culture on a deeper level, you'll find a variety of attractions that are sure to pique your interest.

## The Cabildo and the Presbytère

You may wonder what the two buildings on either side of St. Louis Cathedral are. The Cabildo and The Presbytère were built in the late 1700s and functioned as spaces for Louisiana Supreme Court decisions, among other uses.

701 Chartres St., Jackson Square  
New Orleans, LA 70116

## New Orleans City Park

At 1,300 acres, New Orleans City Park is one of the largest urban parks in the United States. It's also home to the largest grove of mature live oaks in the world, some of which are nearly 800 years old.

5 Victory Ave.  
New Orleans, LA 70124

## Audubon Zoo

Consistently ranked as one of the top 10 zoos in the country, the Audubon Zoo is known and loved for its engaging educational programs and hands-on animal encounters. Don't miss the Louisiana Swamp and Jaguar Jungle exhibits or their mysterious white alligators!

6500 Magazine St.  
New Orleans, LA 70118

## National World War II Museum

The top attraction in New Orleans and a bucket-list destination for fans and students of history around the world, the National WWII Museum takes visitors on a powerful, inspiring journey through the eyes of the men and women who fought for freedom and democracy *in the war that changed the world.*

945 Magazine St.  
New Orleans, LA 70130

## Bourbon Street

Noisy. Raucous. Nocturnal. For many New Orleans visitors, Bourbon Street embodies the life of a party town. The street is lit by neon lights, throbbing with music and decorated by beads and balconies. Named for a royal family in France and not the amber-colored alcohol, Bourbon Street has become a place for revelry of all sorts.

SECO'S BUSINESS AND MANAGEMENT STRATEGIES CURRICULUM.  
JOIN YOUR PEERS FOR A UNIQUE BUSINESS CONFERENCE WITHIN  
THE SECO CONFERENCE!

Take time to focus on the business of your practice and stay up to date on the latest leadership and management strategies. The popular and newly expanded MedPRO360 curriculum will highlight practice management gurus who will share intel and strategies for:

- Leadership
- Financials
- Sales and Communications
- Customer service
- Digital Marketing
- Billing and coding

According to MedPRO360 Committee Chair, Ted McElroy, O.D. "For most eye care professionals, running a business is hard. That is understandable, because we received little business education while in school. That is where we can help. MedPRO360 provides the resources to help guide you through the obstacles of running a small business. This will help turn the hurdles into opportunities for achieving your greatest business potential."

SECO International extends its appreciation to the following for their unrestricted educational grant support of the SECO 2022 MedPRO360 continuing education program.

# GENERAL INFORMATION

## EDUCATION

SECO offers cutting-edge education sessions, including advanced programming designed for all ophthalmic professionals — optometrists, opticians, paraoptometric, optometric technicians, and everything in between. Earn your CE credits, refine your skills, and guide your practice to its full potential with learning opportunities presented in a variety of engaging formats.

## NETWORKING AND SPECIAL EVENTS

Expand your professional circle, build lasting friendships, and reconnect with colleagues at this year's special events. From concerts to alumni receptions, there are plenty of opportunities in store to connect and kick back.

## OPTOMETRY'S MARKETPLACE™

Discover efficiency-enhancing solutions, state-of-the-art equipment, fashionable eyewear styles, and interactive educational events as far as the eye can see — all in the exhibit hall.

## CANCELLATION POLICY

New for this year only, Inability to Attend Insurance is included with your SECO 2022 attendee or exhibitor registration. You will receive a refund of your registration fee paid to SECO if you are unable to attend due to a reason covered under the policy. All cancellation claims must be submitted within 30 days of the end of SECO 2022.

## HEALTH AND SAFETY GUIDELINES

SECO 2022 is looking forward to welcoming our attendees and exhibitors to New Orleans. Our priority is to deliver a successful, productive, and safe meeting where we can come together as a community to access emerging eyecare trends, explore the latest technologies, gain hands-on training, and forge new connections with the eyecare community.

[Please click here for a list a list of the health measures we have in place.](#)

## HOTEL AND TRAVEL

Beware of false and fraudulent housing claims. Eventsphere is the only housing provider for the SECO 2022 Congress. Fraudulent companies will present themselves as official partners of SECO and offer you a room that might not be available or guaranteed. We encourage you to use only the link from the attendseco.com website. SECO has contracted discounted rates with the Hilton Riverside New Orleans Hotel and hotels throughout the city to offer you luxury accommodations at the best possible rates. Reservations must be made through our official housing company, Eventsphere, by February 14, 2022 in order to reserve rooms at the discounted rates. Hotels sell out quickly, so we recommend booking your room today. If you have any questions or need assistance with your hotel needs, contact Eventsphere at (866) 393-0555 or [Click Here](#).

# GENERAL INFORMATION

## ASSISTANCE

SECO volunteers and ambassadors are happy to answer any questions about SECO 2022. They are wearing SECO Volunteer name badges. You can find additional assistance at the Registration Area in Hall B.

## BADGES AND COURSE ATTENDANCE

All information regarding registered courses will be linked to your badge barcode. Your badge is required for admittance to each course and is required to be scanned in and out of each course. If you make any changes to your education registration after you print your badge onsite, it will update automatically—no need to print a new badge. SECO will replace lost badges for a non-refundable fee of \$25. Please wear your SECO badge at all times and remember that a photo ID is required for alcoholic beverage purchases.

## SCHEDULE CHANGES

Changes to your course schedule can easily be made by logging into your SECO registration account, which you can access at [AttendSECO.com](https://AttendSECO.com). You can also make changes to your schedule by visiting Registration located in the Hall B lobby, of the New Orleans Ernest N. Morial Convention Center. Please note that schedule changes can only be made before a course is scheduled to begin and cannot be made at the course's location.

## COURSE HANDOUTS

You can download course handouts via the SECO 2022 APP or at [AttendSECO.com](https://AttendSECO.com)/handouts

## ATTENDANCE REQUIREMENTS

Attendees **MUST** have a SECO badge scanned and be registered to gain entrance into a course. CE credit will not be granted if attendees arrive 10 minutes after the course begins or take a break longer than 10 minutes during a one-hour course. SECO follows the required CE attendance protocols mandated by our accrediting agencies.

## VERIFICATION OF ATTENDANCE (VOA)

To verify and download the Verification of Attendance, visit [AttendSECO.com](https://AttendSECO.com) during or after the conference and select Verification of Attendance (VOA). Reg ID # OR last name and email will be required to access the VOA records. Please allow up to 24 hours for the updated records to display on the VOA. If there are any discrepancies, visit the Rivergate Room or contact us through [our website](https://AttendSECO.com) following the conference.

## NURSING ROOM

The Ernest N. Morial Convention Center provides a nursing station in Lobby B1 (outside of the B1 exhibit hall) for SECO attendees to access at no charge.

## CHILDREN AT SECO

Children ages 18 and younger may attend SECO 2022 at no charge. SECO verifies the age of attendees registered in this category onsite. Due to space limitations and the potential for disruption in course rooms, as well as safety issues should overcrowding occur, the presence of infants and children may not attend continuing education courses. Child care services are not available at SECO 2022.

## SECURITY

Security officers are onsite in the Ernest N. Morial Convention Center to ensure your safety at SECO. To aid in this effort, name badges are required at all official SECO events and to enter the exhibit hall floor. Please report lost SECO name badges to the Registration counter in the Level 1 lobby. Attendees may be asked to display the contents of any large items (such as boxes or cartons) by SECO officials or convention center security officers. Attendees who witness suspicious acts or unattended packages should report them immediately to security, a SECO volunteer, or a SECO staff member.

## EMERGENCIES

First aid services will be available should an attendee need medical assistance. The EMS office #1 will be staffed throughout event hours and is located in Lobby B2. The ENMCC has RED Emergency Phones conveniently located throughout the facility. In order to expedite a response, a ENMCC Public Safety Dispatcher is available 24 hours a day. The emergency number, 504-582-3040 or 3040 from the RED phone, is the primary emergency number for the facility. The Dispatcher will dispatch EMS, Officers, Event Managers, etc. Please refrain from calling 911. The convention center is very large; Facility and Public Safety personnel coordinate the movement of emergency services to the scene. For non-emergencies, dial 3011 from a RED phone or call the Event Management Main Line at 504-582-3011.

## LOST AND FOUND

Lost and Found is in Hall B, the Rivergate Room at the Ernest N. Morial Convention Center. SECO is not responsible for items lost during the event.
